2) History, Vision and Mission of the Institution:

a) History:

Scottish Church College was founded in July 1830 by Revd Dr. Alexander Duff of the Church of Scotland and his fellow missionaries like Revd William Smith, with assistance from Raja Rammohan Roy, the great social reformer. It was originally known as the General Assembly's Institution. In 1884, Dr. Duff started another school, the Free Church Institution which later became Duff College. In 1908, the two organizations were united to form the Scottish Churches

College. With the union of the churches in Scotland in 1929, the College received its present name – Scottish Church College.

The College is the second oldest in this region and in its more than 180 years of existence has produced numerous outstanding people, chief among them being Swami Vivekananda and Netaji Subhash Chandra Bose.

The Department of Teacher Education of Scottish Church College was started in 1935 while the College was established in 1830. The B.T. Department, as it was known then, started for lady graduate students at Lady Jane Dundus Hostel on Cornwallis Street (at present Bidhan Sarani) with 35 women “Teacher Trainees”. The department was shifted to a three-storied building at 1, Urquhart Square in 1945. Since its inception, the department was running the then B.T. (Bachelor in Training) Course and thereafter B.Ed (Bachelor of Education) Course of Calcutta University. This was the only college in North and Central Calcutta, which offered the B.Ed Course exclusively for women students. Owing to the growing demand from the local people, the total number of seats was increased to 60 and then to 120 from 1981-1982. At present, the total number of seats is 100 as per NCTE norm. The department is affiliated to the University of Calcutta, recognized by the National Council for Teacher Education (NCTE) and accredited by the National Assessment and Accreditation Council (NAAC) in 2004 and 2014. The College was also recognised as College with Potential for Excellence by the University Grants Commission (UGC) in 2006.

b) Vision Statement:

The Department of Teacher Education along with the College envisages imparting liberal education pervaded by the universal principles and spiritual and moral values based on the teachings of Jesus Christ and produce intellectually sound, morally upright, socially concerned and spiritually oriented teachers to be of service to the nation.

c) Mission:

Our Institutional mission and goal is to impart liberal education that is pervaded by the spiritual and moral values of the Christian faith; to produce intellectually sound, morally upright, socially concerned and spiritually oriented men and women who will be of service to society and to the nation; finally to produce prepare young people to meet the challenges of a rapidly changing world and to equip them to take their rightful place there with confidence based on an efficient and pragmatic training for the demands of the twenty-first century.

The Teacher Education Department of the College reflects the institutional mission of propagation of spiritual and moral values to the student teachers so that they become value-oriented committed teachers and uphold the profession of teaching with a spirit of serving the nation.
