Deadline Extended: Reliance Foundation Scholarships (2024-25)

Considering the delay in admission processes across India, we have **extended the deadline** for applications to the Reliance Foundation Scholarships 2024-25 cohort to **October 15th, 2024** for both the Undergraduate and Postgraduate scholarships. Kindly note, students who have applied for admission and have not yet secured admission are also allowed to apply for the Reliance Foundation Undergraduate Scholarships 2024-25.

The applications are open for the **Reliance Foundation Undergraduate Scholarships** and **Reliance Foundation Postgraduate Scholarships**.

- **Reliance Foundation Undergraduate Scholarships:**

During the 2024-25 academic cycle, the **Reliance Foundation Undergraduate Scholarships** will invite first-year undergraduate students enrolled in **any stream of their choice** in any institute from across the country who fulfil the Scholarship's academic and household income criteria to apply, enabling them to continue their studies without the financial burden, and setting them up for future success.

Reliance Foundation will provide 5000 undergraduate scholarships (up to Rs. 2 Lakhs each over the duration of the degree).

The scholarships will seek to empower meritorious students from across India with a secondary education and enhanced life opportunities. Students with a household income of under Rs. 15 lakh who are enrolled in a regular full-time undergraduate degree programme pursuing **any subject stream** can apply. The scholarship aims to encourage applications by girls and specially-abled students.

While the scholarships main focus is to provide financial support for meritorious students enrolled in any institute across India, its value will go beyond financial, with students automatically gaining networking opportunities through a strong alumni network that will create long-term impact on the lives and career trajectories of the scholars.

Please note: Only First-year students who are studying any regular full-time undergraduate degree programme are eligible to apply. Students availing other scholarships are also **eligible to apply** for the Reliance Foundation Undergraduate Scholarship.

- **Reliance Foundation Postgraduate Scholarships:**

The **Reliance Foundation Postgraduate Scholarships** aim to enable and propel India's future leaders who can think big, think green, think digital for the benefit of society.

Through the **Reliance Foundation Postgraduate Scholarships**, Reliance Foundation will provide 100 postgraduate scholarships (up to Rs. 6 Lakhs each over the duration of the degree) in **select future-ready courses in Engineering, Technology, Energy and Life-Sciences** (full list of eligible programmes is available on our website). The scholarships will be **awarded purely on the basis of merit** and hence we welcome students from **all socio-economic backgrounds** to apply for the scholarship. The scholarship aims to encourage applications by girls and specially-abled students.

Please note: Only First-year students who are studying in regular full-time postgraduate degree programme are **eligible to apply**.
