Sub: SNTCSSC Admission Test for 2026 Batch

Madam/ Sir,

The **Satyendra Nath Tagore Civil Services Study Centre (SNTCSSC)** is a pioneering initiative of the **Government of West Bengal**, established to offer high-quality coaching to aspirants of the **UPSC Civil Services Examination (CSE)**. This initiative is being implemented in collaboration with some of the country's most reputed and nationally recognized coaching institutes.

To create wider awareness, advertisements were published in leading newspapers on **March 21 and March 26, 2025**. **Registration for the admission test is open until April 21, 2025**, and the **test is scheduled to be held on May 04, 2025**.

This program is a unique and impactful effort by the State Government to extend expert mentorship, academic guidance, and support to civil services aspirants—at a highly subsidized cost. We believe this initiative can be a game-changer for many talented and deserving students across West Bengal.

To ensure that this opportunity reaches the maximum number of potential candidates, we kindly request your support in circulating the **soft copy of the SNTCSSC admission test poster** (attached herewith and also available on our website www.csscwb.in) among the students and alumni of your esteemed institution.

Your assistance in spreading this message will significantly contribute to empowering aspiring civil servants and nurturing the next generation of leaders.

Yours faithfully

Jitin Yadav, IAS
Member Secretary, CEPM &
Course Director, SNTCSSC
